

MBZ AFFILIATE PROGRAM

For the people others ask before they buy a rifle

What it is

You have an audience, a counter or a range, and people ask you what to buy. When someone buys an MBZ-15, a rifle bundle or an MBZ Complete Upper Assembly on mbzfirearms.com with your code, MBZ pays you a fixed amount. The terms are the same for everyone, so there is nothing to negotiate.

What you earn

Product bought with your code	You earn
MBZ-15 rifle	\$100
Rifle bundle (rifle plus barrel kits)	\$150
MBZ Complete Upper Assembly	\$75
Barrel kits, MBZ Barrel Adapter, parts and accessories	no commission

A qualifying order is paid, shipped, and not returned within 30 days. Commissions are paid once a month, by check or bank transfer, with a statement that lists each order number.

How it works

1. You get a personal code, usually your shop or channel name in capital letters, NORTHRANGE for example. Your people enter it at checkout on mbzfirearms.com, and the code gives them free shipping on that order.
2. Every order carrying your code is credited to you. There is no link to install and no software to learn.
3. MBZ makes the sale and ships. Rifles go to the buyer's FFL of choice, and if you hold an FFL your customers can name you as the receiving dealer.

What we ask

- Say that you earn a commission when you recommend MBZ. The Federal Trade Commission requires it (16 CFR Part 255, the federal endorsement rules), and it protects your credibility.
- Use MBZ's words, specifications and images, which we provide. No claims beyond what mbzfirearms.com says, and no prices other than the ones on the site.
- Your own photos and videos of the real product are welcome. Anything that carries the MBZ logo, alters our images, shows an AI-made version of our products, or reads like an MBZ campaign needs our written OK before it goes out.
- Keep your code with your own audience: no coupon or deal sites, and no paid ads on the MBZ name.
- Follow every federal, state and local firearms law. You refer buyers to us, and MBZ makes the sale.

Who can join

US residents 21 and over, and US businesses: gun shops, ranges, instructors, guides, clubs, and content creators on any platform. MBZ approves each affiliate. Either side can close a code with 30 days' notice, and everything earned before that date is paid.

How to start

Sign the two-page Affiliate Agreement, send a W-9, tell us the code you want, and start the day the site opens.
